To whom it may concern:

I had the pleasure of meeting Jessie Barrett in 2017. My family and I hired Jessie as our realtor to assist in the sale of our home in Salida, California.

Jessie demonstrated a consistent pattern of commitment to us throughout the entire process of the sale of our home. She is intelligent, capable, dedicated and compassionate in her role as a Real Estate agent for PMZ Real Estate.

This was a difficult move for me as I am 87 years old. My daughter and grandson were also involved in the sale of our home. We all have the utmost respect for Jessie and her bright and cheerful attitude during this challenging event in our lives.

Jessie's presence during this time in our life assisted us in a smooth and comfortable transition. She was prompt and proactive and encouraging to us throughout the 3 months that our home was on the market.

Jessie demonstrated the ability to multi-task with ease and handled the sale of our home with patience and professionalism.

I would highly recommend Jessie to any perspective client seeking assistance with their real estate needs.

Should I be able to provide any additional information that may be of assistance, please contact me.

Sincerely,
