

April 2012

We are writing this letter to express our pleasure with real estate agent Jessie Barrett, who represented us in our recent purchase of a single-family home ranchette and is currently representing us in a short sale of our old home.

Jessie guided us through the entire process, from loan prequalification to searching for houses to making the offer and closing the deal on our current ranchette. I want to add that Jessie was very patient with us. Jessie has patiently worked with us for over three years. We credit Jessie with a smooth, stress-free home-buying experience. It was truly a pleasure. We have never made an offer and closed so quickly on house. Thank you Jessie it was a wonderful Christmas gift to our self's.

Jessie is guiding us through our short sale, its proceeding and from what I hear very quickly. As short sales go, it can take months a year or longer. We put our house on the market accepted an offer and our loan is over to the negotiator for review. All in 3 months. Jessie keeps us informed on everything going on. We are hoping to close on the short sale very soon. Thank you Jessie.

This is our forth purchase of a property, and never had we had such a pleasurable experience. Alan and I have learned so much about selling and buying homes. Jessie is savvy, personable and knows the market inside and out. She has all the contacts and knows how to guide you. We never could have gotten our dream ranch without her.

To reiterate, we are very pleased with Jessie Barrett and we recommend her to everyone.

Thank you

Regards and nothing but pleased

Alan and Cris Jones
